

Series on WABE: first critical readings by Schlachter and by Dorssemont

Description

IEN plans to publish a series of comments on the decision of the CJEU handed down on 15.7.2021 on the joined cases IX v WABE eV (C?804/18) and MH Müller Handels GmbH v MJ (C?341/19) concerning the prohibition of discrimination on grounds of religion and personal beliefs at the workplace (hereafter *WABE*).

We start with the first two comments written for IEN by prof. [Monika Schlachter](#) (Trier University) and prof. [Filip Dorssemont](#) (UCLouvain). We deeply thank both of them for sharing their precious insights on the decision for the launch of IEN.
